Office of Management and Budget

St. Lucie County, Florida

The Government Finance Officers Association of the United States and Canada (GFOA) presented a Distinguished Budget Presentation Award to St. Lucie County, Florida for its annual budget for the fiscal year beginning October 1, 1998. In order to receive this award, a governmental unit must publish a budget document that meets program criteria as a policy document, as an operations guide, as a financial plan, and as a communications device.

This award is valid for a period of one year only. We believe our current budget continues to conform to program requirements, and we are submitting it to GFOA to determine its eligibility for another award.

*The Certificate of Recognition for Budget Preparation is presented by the Government Finance Officers Association to those individuals who have been instrumental in their government unit achieving a Distinguished Budget Presentation Award. The Distinguished Budget Presentation Award, which is the highest award in governmental budgeting, is presented to those government units whose budgets are judged to adhere to program standards.*
