PROPERTY TAXES

A "property tax" more specifically called an "ad valorem" tax, is a tax based on the value of the property. In Florida there are three factors for calculating the amount of property tax assessed on a piece of real estate: the value of the property, the amount of the value exempted from tax and the tax rate.

Yearly, taxing authorities decide how much tax money their budgets require to operate and provide public services. The rate at which the tax is charged is called the "millage rate". One mill is equal to \$.001. This means that if the millage rate is 8 mills then the amount of tax paid per dollar value is \$.008. It is much easier to think of the rate as how many dollars of tax will be paid per thousand dollars of property value. For example, if the property is valued at \$10,000 and the millage rate is 8 mills, you would pay \$8 per \$1000 value or \$80.

AGGREGATE MILLAGE RATE

A rate obtained by dividing the sum of all ad valorem taxes levied by the Board of County Commissioners by the taxable value of the County. Expresses an average tax rate.

2014-2015 MILLAGE

This figure represents the millage that was approved for the previous fiscal year. It is interpreted as dollars per thousand.

2014-2015 TAXES

This is the computed taxes derived by multiplying the 2014-2015 Millage by the Prior Years Value and then dividing by 1000.

2015-2016 ROLLBACK RATE

The Rollback Rate is the millage that would have to be levied in 2015-2016 to produce the same computed tax revenue as last year. The calculation is 2014-2015 Taxes (less Tax Increment Financing-TIF) divided by 2015-2016 Adjusted Value (less TIF) and multiplied by 1000.

2015-2016 ROLLBACK TAXES

Rollback Taxes is the amount of computed taxes that would be generated in 2015-2016 if the millage imposed was the 2014-2015 Rollback Rate. The formula is: 2015-2016 Rollback Rate multiplied by the 2015-2016 Gross Value and then divided by 1000.

2015-2016 MILLAGE

This figure represents the millage for the 2015-2016 fiscal year. It is interpreted as dollars per thousand.

2015-2016 TAXES

This is derived by multiplying the 2015-2016 Millage by the 2015-2016 Gross Value and then dividing by 1000.

PRIOR YEARS VALUE

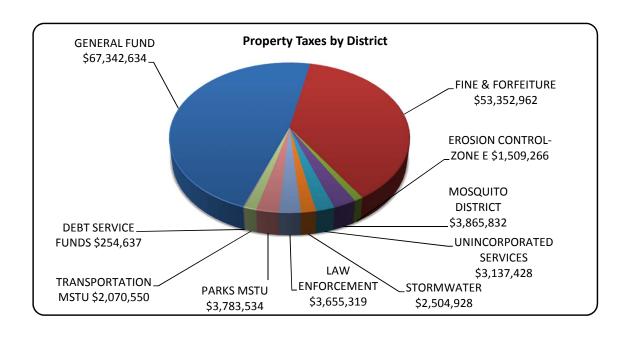

This is the prior year's Final Value as determined by the Office of the Property Appraiser.

2015-2016 GROSS VALUE

This is the 2015-2016 fiscal year Gross Value as determined by the Office of the Property Appraiser.

DISTRIBUTION OF GENERAL FUND AND FINE & FOREFITURE AD VALOREM TAX REVENUES FISCAL YEAR 2015-2016

REVENUE SOURCES AND TRENDS

AD VALOREM TAXES

The Ad Valorem Tax is levied against all property within the County and is based on the Taxable Assessed Value. The Tax Collector sends bills to property owners in October with the option of paying a discounted amount if the bill is paid between November and March. State statutes prohibit the County from budgeting less than 95% of the total amount it expects to receive, and the Florida Constitution limits the amount of Ad Valorem millage the counties may levy to 10 mills.

Legal Authority: Florida Statute, Chapter 200.

Fund/Account Number: Various Funds/311XXX

<u>Discussion & Concerns</u>: The Board of County Commissioners is continuing their efforts to alleviate the amount of taxes bourne by the property owners by encouraging environmentally friendly industries and retailers to locate within St. Lucie County. Their Job Incentive Program has been successful in attracting companies like Liberty Medical, QVC, Torrey Pines and a Wal-Mart Distribution Center. Each entity has or will add a number of jobs that pay well above the average wage that county residents have received in the past.

In January of 2008, the State of Florida imposed legislation regarding property tax reform. This new legislation combined with falling property values, have lead to a reduction in ad valorem revenue from fiscal years 2009 through 2015.

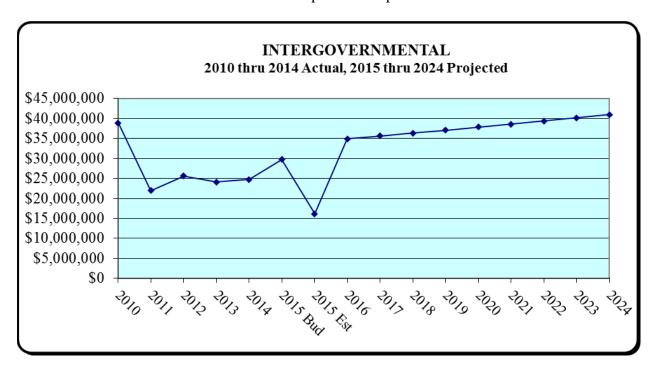

<u>Assumptions & Projections</u>: The fiscal year 2015 budget reflects the total taxes levied. However, discounts are allowed for early payment at the rate of 4% in November, 3% in

St. Lucie County, FL ------58

December, 2% in January, and 1% in February. As a result, the actual collections are less than the taxes levied.

INTERGOVERNMENTAL REVENUE

Intergovernmental Revenues include Federal, State and Local grants, the Half-Cent Sales Tax, State Shared Revenue, and Gasoline Taxes (with the exception of those designated Local Option). For the purpose of this report, revenues received from the Half-Cent Sales Tax, State Shared Revenue and all Gasoline Taxes are reported in separate sections.

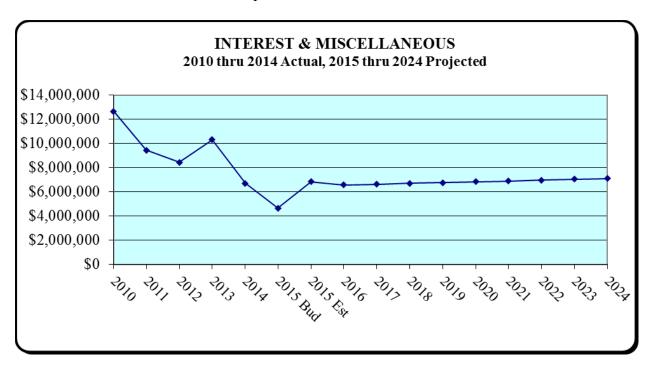

Fund/Account Number: Various Funds/33XXXX

<u>Discussion & Concerns</u>: Although Revenues generated through grants have not been consistent year to year; they do show an upward trend. Given the recent economic situation and its impact on the State and Federal Governments, there are reduced grant opportunities available.

<u>Assumptions & Projections</u>: Staff expects revenues to remain flat for the next two years (fiscal years 2015 and 2016) and then expects revenues to generate an estimated 2% annual increase each year.

INTEREST & MISCELLANEOUS REVENUE

This source of revenue is mainly comprised of earned interest, rent/lease agreement, reimbursements and concession receipts.

Fund/Account Number: Various Funds/36XXXX

<u>Assumptions & Projections</u>: Due to the erratic nature of this revenue source, it is impossible to accurately predict future income. In the interest of long-range planning, staff has prepared projections based on the following assumptions:

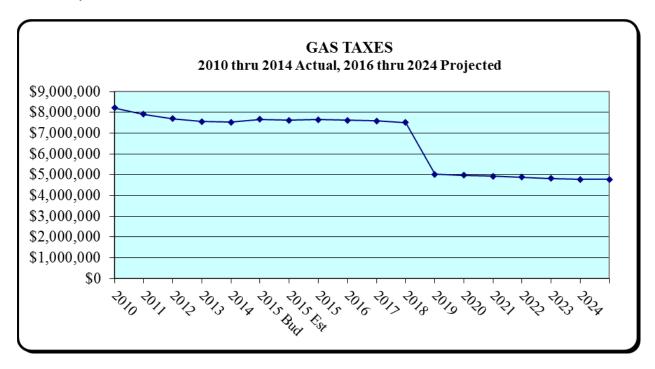

- 1) Interest rates will remain relatively level for the foreseeable future.
- 2) Departments, particularly Public Works and Parks, Recreation & Facilities, will begin spending more of the funds allocated to them for capital improvement projects.
- 3) This increased spending will reduce the amount of funds on deposit resulting in a further reduction in earned interest.

Based on the above assumptions, we project Interest and Miscellaneous Revenue income to remain stable.

GASOLINE TAXES

In addition to the Constitutional Gas Taxes and the County Gas Tax, local governments are authorized to levy up to 12 cents of local option fuel taxes in the form of three separate gas taxes.

The first is a 1 to 6-Cent Local Option Gas Tax imposed on every gallon of motor and diesel fuel sold within the County. The second is a 1 to 5-Cent Local Option Gas Tax imposed on every gallon of motor fuel sold. The third is a tax of one-cent on every gallon of motor and diesel fuel sold. Revenue collected from the Local Option Gas Taxes is distributed between the County and the municipalities of Fort Pierce, Port St. Lucie and St. Lucie Village. These distributions are based on a moving five-year accumulation of reported transportation related expenditures by each entity.

<u>Legal Authority:</u> Constitutional Gas Tax, Florida Constitution Art. XII, s. 9(c) (4), F.S. Chapter 206.41 and 206.47 Local Option Gas Tax, F.S. Chapter 336.025 (1) (a & b)

Ninth-Cent Fuel Tax, F.S. Chapter 336.021 County Fuel Tax, F.S. Chapter 206.60

Fund/Account Number: Various/312410, 312425, 312300, 335420, 335490, 335491, & 335495

<u>Discussion & Concerns</u>: The Local Option 1-6 Cent Gas Tax was initially levied on September 1, 1985 imposing four of the possible six cents. Effective September 1, 1987, the additional two cents were imposed. Facing a shortage of revenue to fund needed infrastructure improvements, the St. Lucie County Board of County Commissioners voted to levy 2 of the allowable 5 cents of the Local Option 1-5 Cents Gas Tax beginning January 1, 1998. Revenue generated by this tax was being used to repair and replace deteriorating bridges within St. Lucie County. The Board later voted to impose the additional 3-cent per gallon tax effective January 1, 2000, and expand the intended use to include all transportation related improvements (i.e. bike paths, sidewalks, drainage, mass transit). The Ninth Cent Gas Tax was approved effective September 1, 1995. The Local Option 1-6 Gas Tax, the Local Option 1-5 Cent Gas Tax, and the Ninth Cent Gas Tax were set to run through August 31 2015, unless extended by the Board. On June 6, 2015, the

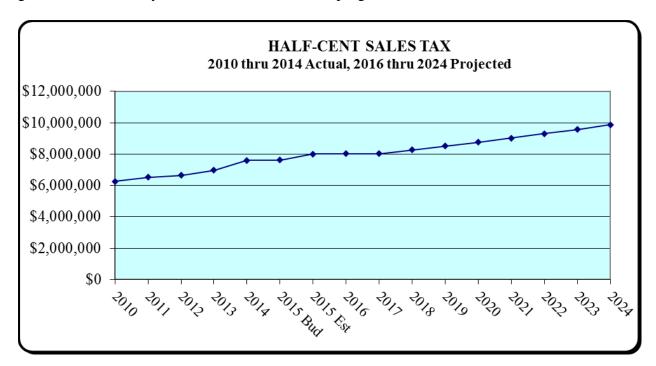

Board adopted Ordinance No. 15-007 levying the Ninth Cent Gas Tax from September 1, 2015 until repealed. And on July 7, 2015, the Board adopted Ordinance No. 15-008 levying the Local Option 1-6 Gas Tax, the Local Option 1-5 Cent Gas Tax from September 1, 2015 through December 31, 2017.

The portion of Local Option Gas Tax revenues collected by the State and allocated to the County have slowly decreased over the past five years as the cities of Port St. Lucie and Fort Pierce have increased their transportation related expenditures. This trend is expected to continue.

<u>Assumptions & Projections</u>: After considering the expected reduction in Local Option Gas Tax revenue due to the allocation formula, staff is projecting an annual reduction of 1% in total gas tax revenue.

HALF-CENT SALES TAX

Local Governments receive a share of the State sales tax collections that is roughly equal to, and is referred to as, the "Half-Cent" Sales Tax. It generates the largest amount of revenue for local governments than any other State shared revenue program.

<u>Legal Authority:</u> Florida Statutes Chapter 218, Part IV

Fund/Account Number: 001, 102, 215/335180

<u>Discussion & Concerns</u>: Beginning in fiscal year 2005, Article V, Revision 7 reduced this source of revenue. The legislature diverted a portion of the Half Cent Sales Tax to help fund the courts. After the initial reduction, the normal growth in this revenue resumed and was passed on

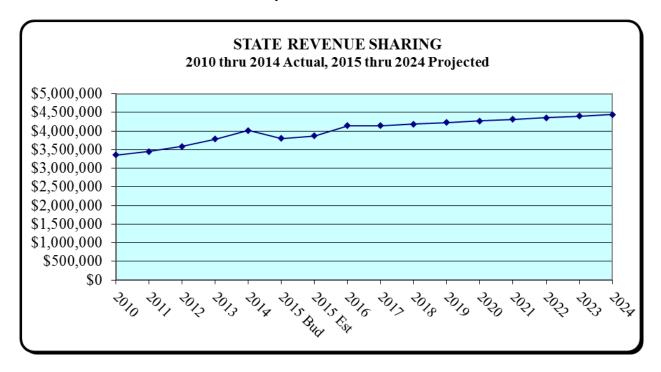

to the counties. Due to the economy, we have been experiencing a reduction of half-cent sales tax over the last few years, as seen in 2008 through 2010. But, from recent activity in the economy, the half-cent sales tax revenue trend has shown an improvement from 2011to 2014.

<u>Assumptions & Projections</u>: We are taking a conservative approach when budgeting anticipated revenue from the Half-Cent Sales Tax. Staff projects a 3% annual increase in half-cent sales tax revenue beginning in fiscal year 2016.

STATE SHARED REVENUE

The Florida State Department of Revenue uses an established formula to apportion to each eligible county a certain amount of revenue collected from cigarette and intangible taxes levied by the State. The formula is based on county population, unincorporated population, and county sales tax collections. Distributions are usually consistent from month to month with the exception of July when the State makes an annual adjustment based on the past fiscal year collections.

<u>Discussion & Concerns</u>: Beginning in Fiscal Year 1999 the State Legislature reduced the Intangibles Tax with the intent of eventually eliminating it. This was the main source of Shared Revenue receipts allocated to the counties. During the fiscal year 2000 session, legislators agreed to replace most of the lost revenue with an increase in State sales tax distributions using Fiscal Year 1999-2000 as the base year. The Article V, Revision 7 Constitutional Amendment, reduced this source of revenue in fiscal year 2005.

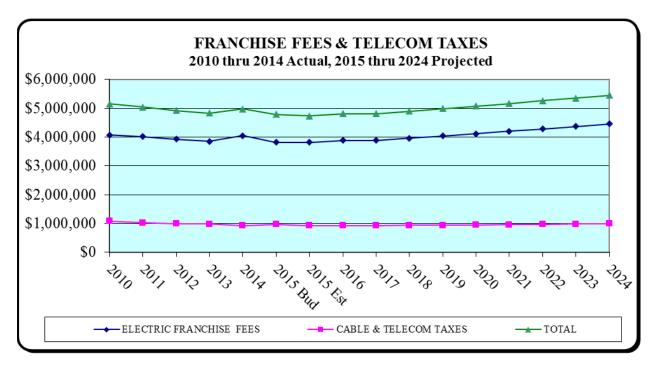

Legal Authority: Florida Statutes Chapter 218 Part II, the Florida Revenue Sharing Act of 1972.

Fund/Account Number: 001, 217/335120

<u>Assumptions & Projections</u>: Beginning in fiscal year 2016, staff predicts this revenue stream to increase by 2% annually.

FRANCHISE & PRIVELEGE FEES

The County negotiated agreements with the Florida Power and Light Company (FPL) and the Fort Pierce Utilities Authority (FPUA) allowing each a non-exclusive franchise to operate facilities within County rights-of-ways in the unincorporated areas of the County. In consideration for the franchise, each entity has agreed to pay a fee. In the case of the electric companies, this fee is remitted to the County. In addition, fees charged to telecommunications related companies pay the fee to the State who then distributes the revenue to each respective county. This fee is an agreed upon percentage of their revenues, less actual write-offs, which are 'billed' to customers living within the unincorporated area of the County.

Fund/Account Number: Various Funds / 315000, 323150, & 323100

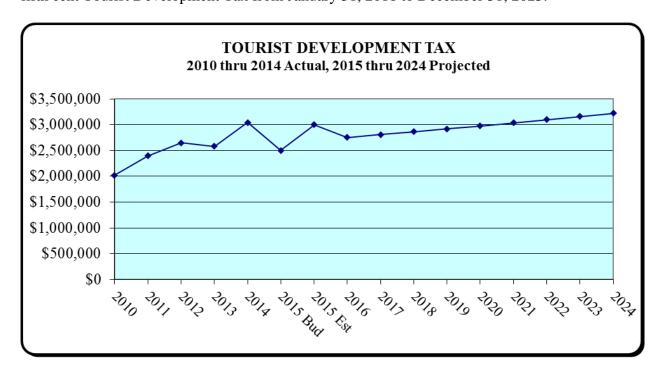

<u>Discussion & Concerns</u>: The Communications Services Tax Simplification Law, Chapter 00-260 Laws of Florida (the Communications Tax Law) combined State and local taxes under a single law administered by the Florida Department of Revenue (DOR). Beginning October 1, 2001, all communication services are taxed at the same rate. The Communications Tax Law repealed all State, county and municipal taxes and fees on communications services and replaced them with a new, simplified communications services tax.

Assumptions & Projections: St. Lucie County began collecting Franchise and Privilege Fees in

Fiscal Year 1998. Receipts from this source have grown significantly each year. But, from fiscal years 2006 through 2013, there was a gradual decline attributed to the declining economy. The major contributors to this source are the electric companies but blending the three streams results in a projected 2% annual growth rate beginning in fiscal year 2016.

TOURIST DEVELOPMENT TAX

In 1984 the County's voters approved a referendum levying a two cent Tourist Development Tax. Revenue from these two cents is pledged to pay for the St. Lucie County Sports Complex operations and to the extent available, to pay for debt service on industrial revenue bonds issued to finance construction of the stadium complex. In 1987, the Board of County Commissioners adopted Ordinance No. 87-82 levying a third cent tourist development tax to promote and advertise tourism in St. Lucie County. By adopting Ordinance No. 97-14 in 1997, the Board levied a fourth cent for the express purpose of paying debt service on bonds issued to finance the renovation of the St. Lucie County Sports Complex. In 2003, the Board approved Ordinance 03-12, levying a fifth cent for the purpose of paying debt service on bonds issued to finance improvements at the St. Lucie County Sports Complex and to pay for capital facilities that promote tourism at the St. Lucie County Fairgrounds and the area north of Midway Road. In 2011, the Board adopted Ordinance No. 11-028, thereby extending the terms of the fourth and fifth cent Tourist Development Tax from January 31, 2018 to December 31, 2023.

<u>Legal Authority:</u> Florida Statutes, Section 125.0104

Fund/Account Number: 162/312100, 262/312100, 610/312100, and 611/312100

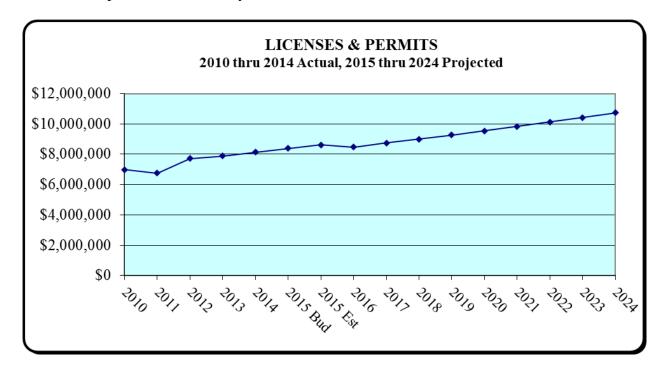

Discussion & Concerns: Generally, collections of the Tourist Development Tax have shown a

positive trend. Considering the fact that St. Lucie County has added new attractions such as the St. Lucie Marine Center, which houses Smithsonian Marine Ecosystem Exhibit, new fairgrounds with an equestrian arena, and the Oxbow (children's) Environmental Learning Center, we expect this positive trend to continue. In addition to new facilities, the county's aggressive 'Investment for the Future' program has resulted in improved access to the local beaches, construction of additional boat ramps and improvements to existing ones, all of which will attract additional visitors.

<u>Assumptions & Projections</u>: Realizing that this source of revenue is highly correlated with the tourist industry and the state of the economy, staff anticipates the annual rate of change to increase as the economy improves. Staff projects Tourist Development Tax Revenues will increase by an average annual rate of 2% starting in fiscal year 2016. The ordinance authorizing the fourth and fifth cent expires on December 31, 2023, unless extended by the Board.

LICENSES & PERMITS

This revenue source includes occupational licenses, building permits, special assessments and certification fees. Impact fees are normally considered a part of this classification of revenue; however, because this source is not normally recognized until it is expensed; staff has chosen not to include impact fees in this analysis.

Fund/Account Number: Various Funds/32XXXX

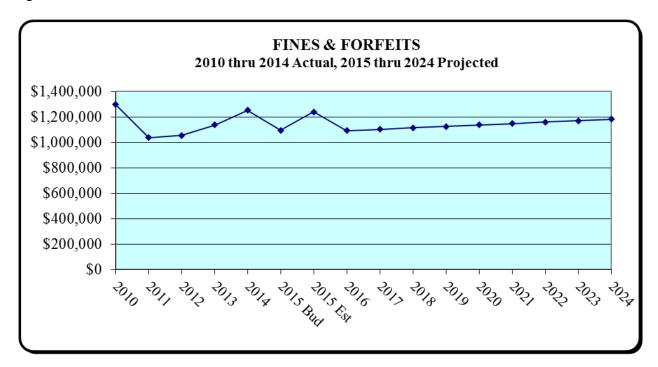

<u>Discussion & Concerns</u>: Before 1972, the State had imposed an occupational license tax and shared the revenues with the counties. In 1972, Florida repealed the State tax and authorized counties to impose an occupational tax at the State rate then in effect. Chapter 80-274, Laws of

Florida, authorized an increase in the tax but capped the rate of increase.

<u>Assumptions & Projections</u>: Rapid growth in the area lead to increased revenue from building permits. Building permits dropped in fiscal years 2006 through 2009 as a result of a slowdown in the housing market. Changes in the State's chart of accounts reclassified expenses for capital improvement assessments and solid waste assessments into this category during fiscal year 2009. Future growth is anticipated to continue at a rate of 3% per year beginning in fiscal year 2016.

FINES & FORFEITS

This revenue source includes revenues received from fines and penalties imposed for the commission of statutory offenses and violation of unlawful administrative rules and regulations. Forfeits include revenues resulting from confiscation of deposits or bonds held as performance guarantees and proceeds from the sale of contraband property seized by law enforcement agencies.

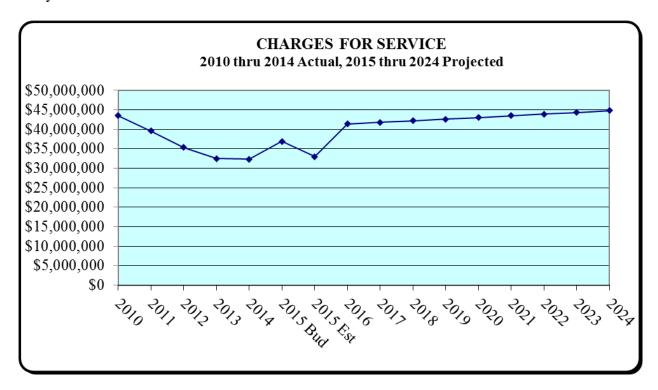

Fund/Account Number: Various Funds/35XXXX

<u>Discussion & Concerns</u>: In FY 2005, there was a large decline in the revenues due to the Article V, Revision 7 Constitutional Amendment that diverted fine and forfeiture revenue from the County and to the State.

Assumptions & Projections: The County expects this revenue source to remain stable.

CHARGES FOR SERVICE

This revenue source reflects all revenues stemming from charges for current services including recording fees, insurance reimbursements, and insurance premiums charged to county departments, landfill fees, water fees, and sewer fees. These sources are estimated using trend analysis.

Fund/Account Number: Various Funds/34XXXX

<u>Assumptions & Projections</u>: In fiscal year 2005, the County began receiving an additional service charge of \$2 per page for instruments recorded in the official records. This revenue is to be used exclusively to fund court-related technology and court technology needs as defined in Florida Statute 29.008(1) (f) 2 and (h). This revenue source is expected to remain stable.
