CONSERVATION CREDIT REQUEST

Attn: St. Lucie County Utilities,

Please see attached letter and or explanation as to what happened and how it was repaired. I have enclosed on of the following documents with the request.

- **Copy of the plumber’s invoice**
- **Copies of receipts for the parts**
- **Pictures of the leak**

I understand that upon receipt of these documents and consumption is back to normal usage, office staff will investigate the situation and notify me if the account is eligible for a credit

I have checked the following problem or problems related to the leak

- Toilet was hung up/ Float valve and flapper failed
- Broken Pipe Under Slab /Underground
- Hot water heater leak / appliances
- Broken Pipes at Boat Dock, Hose spigot, etc.
- Bathroom or Sink Pipes Leaking/Broken
- Water hose left running
- Leak in Pool
- Leak at the check valve Customer side
- Broken Irrigation

This is a brief detail as to what happened: _____

Date of Leak (Approx.): _____ Date Repaired: _____

Account Number: _____ - _____

Service Address: _____

Print Name On the Account: _____

Signature: _____

Thank you for your attention to this matter,

******Please note, the conservation credit is figured on water only at the lowest tier on excessive consumption over the normal usage. The credit is issued once consumption is back to normal. Credits are only available once every three years.**
