

St. Lucie County Library  
Do It Yourself (DIY) Home Energy Savings Kit  
WAIVER AND RELEASE

By checking out and taking possession of any item in the Do It Yourself (DIY) Home Energy Saving Kit the patron agrees as follows:

The Do It Yourself (DIY) Home Energy Savings Kit equipment and supplies may be used only for lawful purposes. Patrons are prohibited from using the Kit equipment in any way that is:

- Prohibited by local, state or federal law.
- Unsafe, harmful, dangerous or poses an immediate threat to the well-being of self or others (such use may violate the terms of use of the manufacturer).
- In violation of another person's property rights.

The Library is not responsible for any damage to a patron's property, or for any manufacturing defects of the provided equipment. The Library hereby expressly disclaims all warranties, written or oral, statutory, express or implied, including any warranty regarding the absence of any defects, whether latent or patent; it being understood and agreed that the Do It Yourself (DIY) Home Energy Savings Kit equipment and supplies are being donated in their current, "as is" condition.

The Library is not responsible for any injuries and/or other losses caused by use of Do It Yourself (DIY) Home Energy Saving Kit equipment. Patron assumes all risks associated with use of the Do It Yourself (DIY) Home Energy Savings Kit, including injury, illness, death, or damage, whether foreseeable or unforeseeable.

The patron agrees to read and follow all instructions provided in the Kit Guidebook. The patron understands and agrees that any devices or tools requiring installation in an electrical panel, or any other location where devices and tools will be installed online voltage (any voltage above 12 volts) must be installed by a licensed electrician.

The Library reserves the right to deny access to Do-It-Yourself (DIY) Home Energy Saving Kit equipment if a patron violates any part of this policy, or misuses the equipment as determined by the Library.

Patrons are not responsible to pay charges or fees for damage or loss to Kit equipment but damage or loss may result in not being eligible to check out additional kits.

By checking out and taking possession of any item in the Do-It-Yourself (DIY) Home Energy Saving Kit, the patron is certifying that they are capable of using that item in a safe and proper manner.

By checking out and taking possession of any item in the Do-It-Yourself (DIY) Home Energy Saving Kit, the patron voluntarily agrees not to sue the Library and their respective successors, assigns, officers, agents, employees, and volunteers, and the patron shall indemnify and hold harmless the County and its officers, agents, volunteers and employees from and against all claims, demands, damages, liabilities, loss, costs, and expenses arising out of or in any way related to or connected with borrowing and use of Do-It-Yourself (DIY) Home Energy Saving Kit equipment, except such loss or damage which was caused by sole negligence or willful misconduct of the Library.

The Do It Yourself (DIY) Home Energy Savings Kit and accompanying guide are not intended to be a replacement for professional services or advice. If at any time during use you feel uncomfortable performing a task, stop and do not perform it.

Any rights not expressly granted herein are reserved by the Library. The Library may update these terms as necessary.
