

Walton Road Sidewalk Improvement Project

(Lennard Road to Green River Parkway)

St. Lucie County Project Number 19-306
FDOT Financial Management Number 448308-1-58-01

St. Lucie County, through the utilization of Florida Department of Transportation Local Agency Program (LAP) funding, is proposing to improve the pedestrian facilities along Walton Road from Lennard Road to Green River Parkway. This project consists of constructing a 10' to 12' wide concrete sidewalk, ADA curb ramps and crosswalks at intersections and drainage improvements within the existing County right-of-way.

Should the community have any questions relative to the improvements, please contact the County Project Manager Michael Harvey at 772-462-1717 or email at harveym@stlucieco.org.
